

Major Holidays

Major public holidays are scheduled in the same way as weekends in order to provide adequate coverage. There are six designated major holidays:

- New Year's Day
- Memorial Day,
- July 4th
- Labor Day,
- Thanksgiving Day
- Christmas Day.

All other holidays are considered working days unless otherwise scheduled, excused or reassigned by the Program Director or his/her designee. Please note that this list is subject to change at the sole discretion of CAHC and the University of Connecticut School of Medicine.
